A Practical Handbook for the Boyfriend: For Every Guy Who Wants to be One/For Every Girl Who Wants to Build One Felicity Huffman, Patricia Wolff

Most dating books are written for women -- what a mistake that is. Women know how to date . . . It's men who need the help! At last: a blithe, bold, and bawdy guide to building a better boyfriend

At some point, every guy -- player, geek, mama's boy, "regular Joe" -- meets a woman who makes him want to be a boyfriend. A good boyfriend. Problem is, unless he's had some first-rate training (by a previous girlfriend, a sister, a mom), he probably doesn't even know what that means. Felicity Huffman and Patricia Wolff come to the rescue with a rollicking -- and whip-smart -- handbook to navigating the minefield of male-female relationships.

Directed at men (though of course it's women who'll buy it, then leave it at their boyfriend's place -- accidentally on purpose), *A Practical Handbook for the Boyfriend* lays out the many steps involved in becoming a good boyfriend, while still maintaining guy-dignity. It covers issues like:

-Who decides when you become a boyfriend (answer: She does.) -How to look like you're listening, even when you're not (If you're busted, just say "You're so pretty, I'm distracted.") -Ten things never to say on the first date (#4: "I just did that to freak you out.") -Finding the middle ground between too cool (think third grade) and too eager (think surprise visits) -Why becoming a good boyfriend is a lot like training for the A team

Filled with humor, ribaldry, common sense, and assorted outdoor skills, *A Practical Handbook for the Boyfriend* is the next dating guide to dominate the bestseller lists.
