Power and Society: An Introduction to the Social Sciences Brigid C. Harrison

Employing the central integrative theme of power, **POWER AND SOCIETY**, Thirteenth Edition introduces readers to each of the social sciences and demonstrates how they differ in their focus and methods. It also presents an interdisciplinary viewpoint to illustrate the nature and uses of power in society. This compelling book will stimulate readers' interest in the social sciences as it explores some of the central challenges facing American society; for example, ideological conflict, racism and sexism, poverty and powerlessness, crime and violence, community problems, and international relations.
