Romantic Suicide is a book for the romantic who just can't seem to get it right. It's also for the romantic who wants to get it right the first time. In the pages within, I am going to share with you the 45 unbreakable rules I have learned over the years for avoiding what I call romantic suicide-i.e. doing something foolish (but preventable) during the first few months of a relationship that scares her (or him) off. It is not a book on how to put your best foot forward; it is a book on how to avoid putting your foot in your mouth. It is not a book on how to present yourself in your best light; it is a book on how to avoid covering up your light with a scary shadow. And it is not a book on how to keep the girl (or guy) of your dreams; it is a book on how to avoid losing her. Read this book and embrace its lessons and you will never again commit romantic suicide. I learned all of this the hard way. If you read this book, you won't have to.
