How to Pour Cereal

Hi I am Dr. Damien and my credentials speak for themselves. *I am a busy man as I am sure that you are a busy person as well, so I will get straight to point.*

Cerealitis is becoming increasingly common among todays generation of young adults. As of right now this disorder plagues 1 out of every 100 individuals on the planet and rising. This is serious business,and I am at the forefront leading the charge to one day hopefully find the cure for this very serious disorder called Cerealitis.

Not only am I a world renowned Medical Doctor licensed to practice throughout the entire internet, and licensed to practice throughout all of Mexico Cuba, and Brazil. I am also a world renowned Therapist that has heard and seen it all.

So many unanswered questions to problems come through my doors on a day to day basis that I often wonder how I will have time to help everyone and still give all their issues equal attention as they all deserve.

This when it finally hit me. I will just have to spend all of my free time when I am away from my practices and use this time to write a whole slew of How to books on topics that I have yet to see discussed and taken head on.

Many people from all walks of life can benefit from my How to books. It will be as if I can heal thousands of wounded birds with just one book. My entire lifes work has come down to this one defining moment.

Remember that I am here to serve and help you all with your issues, whether they are big or small I am just an email away.
