Multinational Corporations and Local Firms in Emerging Economies (Amsterdam University Press - EADI)

Multinational Corporations and Local Firms in Emerging Economies (Amsterdam University Press - EADI)

In order for foreign direct investment to have deep and lasting positive effects on host countries, it is essential that multinational corporations have close direct and indirect interaction with local firms. A valuable addition to the emerging literature on multinational-local firm interfaces, this book provides a number of case studies from emerging economies that examine such mutually beneficial business relationships and the policy measures necessary to support them.
