## **Rough and unprotected at the hands of merciless outlaw bikers.**

**...After the worst day at school, cursing at her first junior job interview and being nearly ran over by a roaring motorbike - how can our heroines day get any worse?**

**Follow Sally as she bursts through a Bar's door with her beautifully manicured finger outstretched and her other hand on her hip to give a mouthful of unrelenting abuse to the rider that splashed dirty water on her new expensive shoes.**

**This is definitely one door that should have remained closed to a naive and spoilt brat. She really should have kept on walking and bit her outrageous filthy tongue. These men are tattooed, scarred and hardened.**

**She may have to wiggle more than her precious young bare bottom to get out of this messy, sticky and hot situation.**

**Totally wicked MMMMMF at its very best. Our heroine will be learning her lessons today on her hands and knees in front of so many hardened older men.**
