Religion and the Body (Cambridge Studies in Religious Traditions)

Religion and the Body (Cambridge Studies in Religious Traditions)

This will be the standard study on the "body" in relation to the major religions. It highlights the distinctive and unfamiliar ways in which diverse religious traditions understand the "body" and notes the assumptions and problems of contemporary attitudes to it. Religion and the Body brings together essays by established experts in the history of religion, the social sciences and philosophy. The result is a rich source for comparative studies of the "body", its relation to society and to the divine.
