The team with no name. The team with no number.

In this newest entry in the bestselling series, the SEALs are on another ultra classified mission into the mountains of northern Afghanistan. They fight hard and die hard against impossible odds on a hunt for a terrorist leader called the White Ghost of the Kush. From Firebase Iron Man they move deep within a subterranean lair in the heart of a mountain to break the back and remove the head of a jihad cell poised to attack NATO forces. But there is a traitor in their midst waiting for the first sign of weakness to strike. Chuck Dixon delivers yet another fast paced tale of America's warriors doing the dirty deeds necessary to keep the homeland secure.

"Chuck is a damn good writer who is really good at hooking you, giving you fun characters, and telling you one hell of an adventure story."

-- Larry Correia, *Monster Hunters International, the Grimoir Chronicles*

"An intelligent and well thought-out high action time travel story."

-- Noah Mullette-Gillman, *Luminous and Ominous*

"Dixon excels at putting down action, of introducing larger-than-life heroes, kicking them through the door into a big mess, and having them sort out a situation in a flurry of martial arts moves and big guns."

-- Mel Odom, *The Rover series*.

Prologue from Dynamite's New eBook: **SEAL TEAM SIX NO MORE: REKINDLED FLAME:**

Darkness surrounded Flame as he crouched with the front of his left shoulder just touching a wall of some kind, the familiar shape of an M4 cradled in his arms. Where the hell am I? he asked himself. What am I

supposed to do?

He shook his head—felt a familiar weight on it. Night vision! He fumbled for the boxy system, and pulled it down in front of his eyes. Now where's that switch...?

Something clicked under his questing fingers and everything changed. I'm in a big room of some kind. Flame studied the green-tinged one-dimensional reality that spread around him. Boxes and crates everywhere. He tapped the huge crate he'd thought was a wall. Big suckers... He shook his head. Supply dump, maybe... He glanced to his front. Looks like an access door up ahead there...

He sensed movement somewhere behind him.

Shit! Flame turned toward the movement, clicking off the safety of his M4 with automatic precision. Where did that come from? He strained eyes and ears for more information—anything that might tell him what he'd gotten himself into—but all he could hear was the hammering sound of rain hitting what must have been a metal roof. Any other subtler sound was all but inaudible against that cacophony.

Flame stood completely still, eyes flicking from side to side, waiting for...

What?

Suddenly, he heard the familiar clatter of an AK-47 coming from somewhere behind him. Flame whirled toward the new sound, rifle barrel swiveling to bear.

There was a flicker of movement.

It came from that doorway! Flame raised the M4, aiming it at the doorjamb. As soon as the bastard sticks his head out to try again, I'll take it off and...

There was movement to his right as a tall, rather angular figure slid to a halt behind a large box of some kind. The figure waved to him...

Re-Pete?
