The Funeral of Life: A Dark Poetry Collection Steven A Williams

The Funeral of Life is the first volume of what will become the 'Of Blood and Ink' anthology. It focuses on the darker side of the human condition and pays homage to the horror poetry of old. Poetically and craftily, the poems and essays here put emotions to words painting a vivid and disturbing picture of the human psyche down the path to insanity. At times terrifying, at times profound, and at times brilliant, this first publication from Steven A Williams is a must-have to start your Williams collection.
