Book Two: Network Marketing: How to Make Money and Build a Successful Business

Cutting Through The Static in Social Media Marketing

Is social media marketing a scary prospect?

For a lot of business owners, it most certainly is. It's hard to put your message out when you don't feel that you can stand out from the crowd. Maybe you don't understand the mechanisms of advertising on any given platform, or even what the average user is looking for.

Worry no more. In this book, I'm going to break down the culture of, in my opinion, the five greatest social media services. I'll be covering LinkedIn, Facebook, Twitter, Tumblr, and Reddit, giving you an insider's perspective on what works on each platform.

Inside You Will Learn About:

- The highly professional networking service LinkedIn and how to make the most of it
- The procedures and tactics for successful Facebook marketing
- How to engage your present and potential customers on Twitter
- The myriad uses for the Tumblr platform and how to navigate it
- The distinct Reddit culture, their history with marketing, and success stories
- And Much, Much More

When you're done with this book, you'll be well equipped to move forward and network confidently on the largest and most important social services. With the advice contained inside, you'll be able to position yourself well ahead of many businesses.

Pick up this book. You'll be glad you did.
