How to Decorate For Less and Eventually For Free

You think, “I don’t have enough money” or “I can’t afford a room like that.” You want to create a comfortable, beautiful home, but you don’t believe it’s within your reach. The truth is decorating *is* expensive and frustrating when you:

- Try to keep up with the latest trends.
- Buy home decor you don’t love (even if you get amazing deals).
- Feel the need to replace your decor every season or even every few years.

Imagine not feeling rushed to finish your home. Imagine enjoying your home *in progress*.

With a different approach to decorating you can:

- Surround yourself with decor you love (no matter your budget).
- Find things you want to keep and never want to replace.
- Save money by passing on “disposable decor” and confidently buy decor you’ll enjoy for years to come.

This approach isn’t about penny-pinching, finding cheap deals, or dumpster diving (unless that’s what you’re into). Free Decorating is a strategy to **1) Free yourself from the tug to constantly replace and redo your spaces, and 2) Build a decor collection that allows you to reuse and re-decorate without spending money.** It’s time to shop smarter, save your money, and most importantly, love your home decor (well past the return date on the receipt).
