The most current, comprehensive view of educational psychology today

The Thirteenth Edition of *Educational Psychology* continues to emphasize the educational implications and applications of research on child development, cognitive science, learning, motivation, teaching, and assessment. Theory and practice are considered together, showing how information and ideas drawn from research in educational psychology can be applied to solve the everyday problems of teaching. The text reflects the field as it offers unique and crucial knowledge to any who dare to teach, and to all who love to learn. The Enhanced Pearson eText features embedded video, assessments, author-created *AnitaTalks* podcasts, teacher certification exam prep, and video analysis exercises.
