**Pocket Manual of Homoeopathic Materia Medica & Repertory: Comprising of the Characteristic and Guiding Symptoms of All Remedies Clinical and Pathogenetic Including Indean Drug** William Boericke

This is the most authoritative book on homeopathy ever published. The book contains the well-known verified characteristics and symptoms of all our medicines besides other less important symptoms aiding the selection of the curative remedy. All the new medicines and essentials of the published clinical experience of the school have been added. In this compact form, the book contains the maximum number of reliable Materia Medica facts in the minimum space. Abbreviations and names of drugs have been standardised according to synthesis in the whole text. Perhaps it is the best-known and most widely used "Materia Medica & Repertory". It features a handy and easy to use clinical repertory which can be used as bedside repertory.
