Rage

Richard Bachman

Rage Richard Bachman

Première de couverture : Ce roman est signé Bachman, mais sa conception et son écriture ne peuvent être que celles du maître absolu du suspense et de l'épouvante, Stephen King, tant on y retrouve son imaginaire, son art de faire basculer insensiblement la réalité la plus ordinaire dans le délire le plus inquiétant, sa capacité à nous bousculer jusqu'à nous faire perdre haleine et parfois raison. Ici l'horreur est au lycée. Un adolescent bien tranquille "craque", tue sa prof de math, rend sa classe en otage... L'enfer commence. Bachman et King ne font bien qu'un.

From reader reviews:

Jeffrey Thibodeaux:

As people who live in the modest era should be upgrade about what going on or information even knowledge to make them keep up with the era that is certainly always change and progress. Some of you maybe may update themselves by looking at books. It is a good choice for you but the problems coming to you is you don't know which you should start with. This Rage is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

Pauline Stern:

Nowadays reading books become more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want really feel happy read one with theme for entertaining such as comic or novel. Often the Rage is kind of publication which is giving the reader unforeseen experience.

Billy Smith:

Many people spending their time frame by playing outside together with friends, fun activity along with family or just watching TV all day every day. You can have new activity to spend your whole day by looking at a book. Ugh, ya think reading a book can actually hard because you have to take the book everywhere? It okay you can have the e-book, having everywhere you want in your Smartphone. Like Rage which is finding the e-book version. So , try out this book? Let's find.

Richard Powe:

That reserve can make you to feel relax. This book Rage was bright colored and of course has pictures on there. As we know that book Rage has many kinds or genre. Start from kids until young adults. For example Naruto or Private eye Conan you can read and believe that you are the character on there. So , not at all of book are generally make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading in which.
