It's Romance, Passion, Action and Adventure all the way as Ria Cantrell brings together the first three full length novels of her Bestselling Celtic Storm series into an exciting new boxed set of Scottish and Medieval tales of Romance for your reading pleasure. Step back in time to the beautiful Scottish Highlands and enter a world of Knights and Ladies, kilted Highlanders and the beautiful women who fight to win their hearts.

KNIGHT STORM ~ A storm was brewing and Rhianna du Montefort knew that nothing good would come of it. She and her brother, Randall were the sole heirs of their parents' thriving keep and outlying lands. The problem was that her brother had been missing for nearly six moons. There had been no word of his whereabouts or for that matter if he was dead or alive.

Sir Erik Ragnorsen, a high ranking Knight of the Realm has been commanded to marry the heir of du Montefort Keep. He did not want to marry anyone, and though he petitioned the king to retract the edict, Sir Erik was obliged to comply.

When Rhianna learns that the storm she had been sensing was really a maelstrom in the form of a man named Erik Ragnorsen, she vows she will not marry him. However, upon seeing the blond giant, she felt her resolve crumbling. Erik vows to protect the Lady Rhianna at all costs and his promise will be sorely tested when an evil baron decides to take her for his own. Will their love be strong enough to weather the storm that threatens to tear them apart?

CELTIC TEMPEST ~ Sometimes, even though it is written in the stars, the road to true love can be a rocky one. And so it was with Bronwyn, the feisty daughter of the Laird and High Chief of the Clan MacCollum and the handsome English Knight, Sir Andrew Brandham. Can they set aside old hatreds and distrust and follow the course that Destiny has set them upon or will their blossoming love be dashed upon the rocks by the tempest that rages around them?

CELTIC FURY ~ Amid Highland Feuds and Clan division, rugged men fight for their birthrights and their place in history while beautiful women fight to win their hearts. Among these great warriors is Rory MacCollum, the fabled and lethal Wolf of the Highlands. A series of events has set him on a course of self-destruction until a terrible accident brings the beautiful, but damaged, Brielle Campbell into his life. Will the love of this daughter of his sworn enemies bring healing to his tormented soul or will it add fuel to the fire of his hatred for all things Campbell?
