**The Sisters Club: Cloudy with a Chance of Boys** Megan McDonald

**The forecast calls for a first crush after Stevie makes a wish for something new and daring in this authentic, funny Sisters Club adventure.**

As the middle sister in a family with three girls, Stevie Reel doesn't know much about boys, and that's always been just fine with her. But lately, things have been changing: kids at school are starting to pair up, and Owen, the new boy in her Earth Science class, seems to have his sights set on Stevie. The trouble is, Stevie doesn't want a boyfriend- she's not even sure she's ready to have a boy friend. And her sisters, who know exactly where they stand on the issue of boys, are no help: drama queen Alex is busy trying to orchestrate a perfect, Romeo-and-Juliet-style first kiss from her heartthrob, Scott Towel (er, Howell), while Joey can't understand why anyone would like a boy better than a frog anyway. If only figuring out boys were as easy as predicting the weather!
