## **Una verdad irrefutable: La educación es un problema de todos (Spanish Edition) Dennis Littky**

Las verdaderas metas de la educación Cuando veo a los muchachos entrar al edificio en su primer día de escuela, pienso en como quiero que sean cuando salgan del edificio en su último día. También pienso en como quiero que sean el día que me los tropiece en el supermercado 10 o 20 años después. En el transcurso de tres décadas de mirar a los muchachos entrar en mis escuelas, he decidido que quiero que ellos: -- continúen aprendiendo a lo largo de todas sus vidas -- sean apasionados -- estén listos a arriesgarse -- sean capaces de solucionar problemas y de pensar con mente crítica -- sean capaces de ver las cosas de manera diferente -- sean capaces de trabajar de manera independiente y con otros -- sean creativos -- sean preocupados y que contribuyan con su comunidad -- perseveren -- tengan integridad y amor propio A book in Spanish This book was translated by Mario Llorente Dennis Littky's book was selected by ASCD, the publisher, for distribution to 80,000 educators in 2004.
