Criminal Justice Anthea Hucklesby, Azrini Wahidin

What is the criminal justice system for? How does it operate? How does it treat victims, suspects, defendants and offenders? Does it work? Is it fair?

Criminal Justice provides a thought-provoking and critical introduction to the challenges faced by the UK's criminal justice system including policing, sentencing and punishment at the beginning of the 21st Century. Expert contributors, including criminologists and lawyers, provide students with a critical introduction to issues, institutions and agencies which shape the operation of the criminal justice system.

A fascinating book which provides students from a range of disciplines including criminology, law, sociology and social policy with knowledge and understanding of the key areas of the subject and an appreciation of contemporary debates, policies and perspectives.

Each chapter features questions, summaries, tables, diagrams, annotated further reading and weblinks, to ensure the book is as accessible and engaging as possible, and provides clear guidance on further study. An illuminating glossary of key terms is also included.

Online Resource Centre

This title is accompanied by an Online Resource Centre containing an online version of the glossary of key terms and annotated web links. Adopting lecturers will also have access to a test bank of multiple choice questions with answers and feedback.

From reader reviews:

David Soto:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is from the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Criminal Justice as the daily resource information.

Michael Davis:

The reserve untitled Criminal Justice is the reserve that recommended to you to study. You can see the quality of the publication content that will be shown to you actually. The language that author use to explained their way of doing something is easily to understand. The article writer was did a lot of study when write the book, to ensure the information that they share to you personally is absolutely accurate. You also could get the e-book of Criminal Justice from the publisher to make you far more enjoy free time.

Julio Yates:

That guide can make you to feel relax. This particular book Criminal Justice was colourful and of course has pictures around. As we know that book Criminal Justice has many kinds or variety. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book usually are make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you and try to like reading that will.

Josephine McIntire:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Criminal Justice can make you experience more interested to read.
