Goddess Guide to Get the Guy: You Have the Power to Make Any Guy Fall Madly in Love With You

Ayelet Shimron

Do you consider yourself to be a woman of value and therefore desire a valuable relationship?

Do you want your man to want you... to crave you?

Do you long for the type of love that makes your heart melt and your soul fly?

Do you wake up every morning alone, wishing that you had a warm body embracing yours?

Are you staying with your partner simply out of comfort and security, or perhaps out of fear that you won't be able to find anyone "better"?

If you answered "YES" to any of these 'make-it-or-break-it-in-a-relationship' questions, then you can take a moment to thank the universe for blessing you with all the relationship-transforming material you are about to come across in this book. Whether you are a woman who desires nothing more than to meet the perfect man, or a woman who is currently in a relationship but doesn't know what the heck went wrong somewhere along the line, this book was written especially for you.

Even if you're a woman who is currently in a loving relationship but knows the true value of working to make it even better, more loving, more compassionate, and downright more hot and steamy, then you too, my friend, have come to the right place!

If you take this book seriously and use it as your "relationship bible," not only will your love life substantially improve but you will find that every other area of your life begins to include those sparks of excitement that we all crave. Why is this so? Well, since we're being honest with each other here let's relate heart-to-heart for a moment. When was the last time you woke up in the morning, got into a huge argument with your partner, then walked out the door to go about your daily activities with a huge smile on your face, ready to conquer the day ahead? Probably never. If you're silently nodding to yourself, then this book is exactly what you need to gain or regain the love you deserve.

Somewhere along the way your life may have lost its excitement. Dullness is an unfortunate part of life, if you don't know how to stop it from breaking and entering. Here's the good news! We all have infinite potential for vivacity to flood every moment of our existence, and if your life is lacking the exhilaration and joy that a meaningful relationship brings to those who know how to tap into their hidden potential, then don't waste another minute living a simple, boring, and mundane life. Use this book as your love guide, your relationship guide, and your overall daily guide to living a truly happy life.
