This booklet is designed to help those who have given their lives to Christ, to grow into a mature disciple of Jesus. By entering the School of the Holy Spirit, they will be growing in four fundamental spiritual disciplines of a disciple of Jesus Christ. Over three thousand copies have been sold and the demand is increasing. See a testimonial below. I read your book during Adoration, and I could not get over how good it is. I have been searching for something like this for a long time. I have attended many classes on evangelization I have not really understood. I have never heard a better explanation on how to grow with Jesus, than what is in your book. The Holy Spirit was certainly with you when you were writing it. I really can't express to you how much I enjoyed your book and how it answered so many questions in my life. God Bless You Jack NY
