The Book of Love

*This is a book about love—how to fall in love, stay in love, and renew lost love.*

*The Art of Falling in Love* is the culmination of years of research by marriage and love expert Joe Beam. In these pages, Beam reveals a tried-and-true process for finding genuine, lasting love. In fact, this process—or “LovePath”—consists of four concrete steps that anyone can follow. Those who walk this path will fall in love whether they intend to or not, and those who stray from it won’t find true love no matter how hard they try.

This book describes, in a way you won’t find anywhere else, what love is, how to find it, how to keep from losing it, and how to get it back if you’ve already lost it. Insightful, revealing, and practical, yet full of gentle humor, this book leads you through the process that will keep you in love for the rest of your life.
