In easy-to-use outline form, this little book is a handy distillation of the best-selling MLA Handbook, with all the information a student needs to format a typescript, list sources at the end of the paper, cite sources in the paper's text, and avoid unintentional plagiarism. It also includes a sample outline and research paper and, for writers in the social sciences, a brief discussion of the style preferred by the American Psychological Association. Up to date-with rules for citing such new media as CD-ROMS, videotapes, and online databases. Includes a complete sample outline and research paper, with an appendix on APA style.
