An in depth study of the vital principles from *The Language of Love and Respect* now in workbook form.

Communication between couples has been dissected in thousands of books and articles, so why does it remain the number one marriage problem? "Because," says Dr. Emerson Eggerichs, "most spouses don't know that they speak two different languages. They are sending each other messages in 'code,' but they won't crack that code until they see that she listens to hear the language of love and he listens to hear the language of respect." Dr. Eggerichs' best-selling book, *Love and Respect*, launched a revolution in how couples relate to each other. Now with *The Language of Love and Respect* companion workbook, the message of this hardcover tradebook can be studied and applied whether for a group or for individual couples. The result will be better communication, mutual understanding, and a successful godly marriage.
