Everything we think, say, and do reflects our worldview. Whether we realize it or not, basic beliefs about God, humanity, history, and the future inevitably shape how we live.

Philip Ryken, prolific author and president of Wheaton College, explains the distinguishing marks of the Christian worldview, helping us to engage thoughtfully with our increasingly pluralistic society. Based on the notion that ideas have consequences, this accessible resource will help you see life's "big picture" by equipping you with a well-reasoned framework of Christian beliefs and convictions.
