**End Game (A Dark Romance) (Vittorio Crime Family) (Volume 3)** Vanessa Waltz

**I need to get out, but I can't leave without him.** My dad was conned into working with the mob. Now he's dead and I'm paying the price. I thought I could handle it. I thought I could control them. Instead, they're controlling me. They sent him to watch over me: Joe DiFiore, a soldier in the Vittorio Family who says his job is to protect me, but I know the truth. He'll kill me if I make one wrong move. He's my judge, my executioner, but he's also my protector. It's sick, but I want him. I've fallen hard for him, even though he just wants to play with me. Kissing him is like playing with fire. I should know better, but the spark between us raged into an inferno. He has to make a choice. The families are at war—and both want me dead for what my father did. Joe is my only chance...and I can't believe I'm falling for him.
