I Brag. Annie Chau

When her marriage fell apart, Annie Chau knew she had to make a choice. She could give up and accept the way things were, or she could start her life anew at the age of thirty. In *I Brag.*, she chronicles her decision to take the risk and everything that comes of it—from missteps to successes, from pain to excitement, from lust to love. With an engaging journal-writing style, Annie chronicles her experiences as she learns how to date in the big, bad, eat-you-alive city of Manhattan. Her path of discovery is charted through those that she loves. From each person that leaves a mark on her soul, she walks away with gratitude for the lessons she has learned and the knowledge that she has left her own mark on their souls. And the result is a story that will leave a mark on yours. A author Annie Chau is a true believer in the idea that it is better to have loved and lost than never to have loved at all. She lives and works in New York and continues to write about her life as it unfolds. Publisher's website: <http://www.eloquentbooks.com/IBrag.html>
