## **Lost Souls of the Dead and Dying** J. Berkman

A nomadic group of vampires has come to Atlanta to find a new wife and daughter for their leader, a tortured creature who traded his soul for immortality and power. Tom Resnick, a successful conservative talk-show host, thinks he understands life, and that he is in complete control of his destiny-until his wife and daughter become the vampires' next target. Hell itself protects these creatures, and Tom refuses to believe they exist. If not for the intervention of a mysterious vampire hunter who's been chasing the monsters for over twenty years, Tom and his family would already be lost. But even with the stranger's help, Tom must quickly expand his view of reality, beyond logic and reason, to have any chance at protecting his family. To save his wife and daughter may cost Tom his own soul, but first he must admit he has one.
