THE LAST MAN ON EARTH SHE'D EVER WANT TURNS OUT TO BE... THE ONE!**

Though the name of her celebration and wedding cake business is up in lights, Bronte Ludlow doesn't care for the trappings of success. Free in mind and spirit, independence, her company and her heritage, The Dower House are all that really matter to her. The Dower House was home to her ancestors since the seventeenth century and no way will she part with it to 'a man with too much money and no soul'.

Nico Ferranti's only passions are money and power... he's a man who stopped believing in romance long ago and Bronte's a romantic, yet the attraction sparking between them like fireworks over the Piazza del Popolo stuns Nico.

When Bronte's brother is badly hurt in a car accident in Rome, Nico whisks Bronte to the Eternal City. He wants her and he wants The Dower House and Nico Ferranti always gets what he wants.

But Bronte's heart has already been broken by one ruthless charmer and although tempted she isn't about to give up either her heart or her home to the charismatic Italian without a fight!
