Social Decision Making: Social Dilemmas, Social Values, and Ethical Judgments (Series in Organization and Management)

This book, in honor of David Messick, is about social decisions and the role cooperation plays in social life. Noted contributors who worked with Dave over the years will discuss their work in social judgment, decision making and ethics which was so important to Dave.

The book offers a unique and valuable contribution to the fields of social psychology and organizational behavior. Ethical decision making, a central focus of this volume, is highly relevant to current scholarship and research in both disciplines. The volume will be suitable for graduate level courses in organizational behavior, social psychology, business ethics, and sociology.
