The Bridge: The Life and Rise of Barack Obama

David Remnick

The Bridge: The Life and Rise of Barack Obama David Remnick

In this nuanced and complex portrait of Barack Obama, Pulitzer Prize-winner David Remnick offers a thorough, intricate, and riveting account of the unique experiences that shaped our nation's first African American president.

Through extensive on-the-record interviews with friends and teachers, mentors and disparagers, family members and Obama himself, Remnick explores the elite institutions that first exposed Obama to social tensions, and the intellectual currents that contributed to his identity. Using America's racial history as a backdrop for Obama's own story, Remnick further reveals how an initially rootless and confused young man built on the experiences of an earlier generation of black leaders to become one of the central figures of our time.

Masterfully written and eminently readable, *The Bridge* is destined to be a lasting and illuminating work for years to come, by a writer with an unparalleled gift for revealing the historical significance of our present moment.
