Kill or Capture: The War on Terror and the Soul of the Obama Presidency

Daniel Klaidman

Kill or Capture: The War on Terror and the Soul of the Obama Presidency Daniel Klaidman

“[An] important book.” — Steve Coll, *The New Yorker*

“Klaidman . . . [was] clearly given extraordinary access to key players in the administration . . . Provide[s] scintillating details.” — *Washington Post*

How has President Obama waged the war on terror? As lawyer-in-chief, he promised to close the Guantánamo Bay detention camp and engaged his inner circle in wrenching debates over the price of liberty and security. As commander-in-chief, he has become a decisive and lethal warrior, dealing out drone strikes and death sentences to suspected terrorists around the world. Daniel Klaidman reveals Obama’s struggle to balance high-minded idealism and hard-headed politics as it plays out behind closed doors from the Oval Office and the Justice Department to the Situation Room and the CIA. Based on hundreds of interviews with men and women throughout the White House and the national security establishment, *Kill or Capture* is a startling new portrait of our forty-fourth president.

“A fascinating book . . . Lays bare the human dimension of the wrenching national security decisions that have to be made.” — Tina Brown, NPR
