***** Can be read as a standalone book. *****

What if your fated mate was just an app swipe away?

Melissa Ericson has a panic attack as her best friend Lauren is giving birth, but sexy shifter doctor, Harley, is on hand to calm her down. When she later finds out that he's not only on Shiftr - the secret dating app for curvy girls and gorgeous shape-shifting men - but is also a great match for her, she's ecstatic.

But there's something about Doctor Harley that keeps tugging at Melissa's mind, and suddenly she's drawn back into a place she never wanted to think about again.

The past is so confusing and painful for her, but will the smoking-hot werewolf prove to be her destroyer or her savior?

This is a standalone, short, sweet, steamy read, perfect for a lunch break, bath time, or a little dose of me-time, wherever you are. HEA and no cliffhanger!

Note: This book and all other books in the Hope Valley Dating App series are standalone and can be read completely independently.
