DJ Wilson

The Ride Series Boxed Set: Includes Ride to Redemption & Ride to Restoration DJ Wilson It's apparent, a little startling, even refreshing, to see the author blending life stories and maxims with compelling, spellbinding fiction wrapped in a twisted love story.

There's hell to pay sooner rather than later in these action-packed, sexy adventures, blending real life stories and places with a smidgen (Wink!) of fiction. Like my momma always said, "When you play with fire, you're gonna get burned!"

Ride to Redemption: Righting another's wrong landed D in the witness protection program and cost him family, friends, and everything of substance in his life. Loneliness is his constant companion until he meets Candi, the girl of his dreams. He and Candi embark on a three-week ride to redemption where they deal with mind-numbing deceit, perilous treachery, their overpowering lust for each other and their personal demons.

Nevertheless, new opportunities bring a chance to begin again. And, it doesn't hurt that he's got 200 pounds of illicit diamonds to use to ease the pain of those wronged. He will continue the redemption process by way of a well thought out plan involving a 5,000-mile adventure through the Western United States and Canada.

When D meets Candice, aka Candi, she captures his heart, mind and soul the instant she 'inadvertently' almost runs him down in the Starbucks drive-thru. Candi joins him on his three-week, two-wheeled ride to redemption, where they're forced to face their personal demons, while dealing with wanton lust, mind-numbing deceit and perilous treachery.

Spectacular scenery and a cast of unforgettable characters they meet along the way makes the journey memorable, but nothing prepares them for the sacrifices they must eventually make midway in the ride.

"The more things change, the more they stay the same," sadly, does not ring true for Candice and D throughout this first of a three part series. Lust and greed are forever game-changers, even for those who desperately seek redemption.

Ride to Restoration: In this second book, D learns that paying it forward is not without costs, toss in Candi Parker, the girl of D's dreams gone rogue, along with vivacious Victoria Lawson, attorney at law, who willingly steps in to fill Candi's thong, and D's hilarious misadventures continue across Canada. Reality sets in and the bullets begin to fly just two days after he returns to the states.

D sends Victoria away to keep her out of harm's way, before tackling his real life demons, aka A.J. Standford, the Ponzi scheming banker who has a bounty on D's head, and Candi's extended family, the Gambinos, who will profit from his demise.

The romantic side of the story poses multiple questions: Will D settle for Victoria after being royally screwed by Candi or will his feelings for Candi propel him back into her life and the crime family's ongoing chaos? Will Candi take back her sleazy ex-husband Joseph or will she somehow manage to break with her powerful family and come crawling back to D's loving arms?

With all of this going on, there's bound to be hell to pay sooner rather than later. Like momma always said, "When you play with fire, you're gonna get burned."
