Read THE GATHERING first to avoid spoilers.

The Ghost of Lachlan McLean is the first to step forward to accept the Muir Witch's dare. After a quickly accomplished act of bravery, he'll be free to exact his revenge. But plans go amiss when a certain lass refuses to be saved.

It's not just Harper's trust fund that's in danger—it's her life. Her despicable stepfather only has to keep her alive until he gets control of her money, and he's happy to kill anyone who tries to aid her. So she's on the run and determined to stay on her own—so no one else has to die. But a lunatic in a kilt decides she needs a hero, and he's not easy to ditch.

If Harper can't get it through his head that he's a liability, she'll be planting another bodyguard in the ground. And if Lachlan can't get the woman to stand back and let him fight the Highland way—which he couldn't do at Culloden—he'll have haunted the battlefield for two hundred seventy years for nothing.

JAMIE is next.

A NOTE ABOUT THE SERIES: Although the individual stories of Culloden's 79 need not be read in strict order, The Gathering should definitely be read first in order to know what's going on between the Muir Witch and these Highland warriors from 1745.

The Reckoning, Number 79's story, will finish the series.
