## **Sesame and Lilies** John Ruskin

The lectures that comprised *Sesame and Lilies* (published 1865), delivered in December 1864 at the town halls at Rusholme and Manchester, are essentially concerned with education and ideal conduct. "Of King's Treasuries" (in support of a library fund) explored issues of reading practice, literature (books of the hour vs. books of all time), cultural value and public education. "Of Queens' Gardens" (supporting a school fund) focused on the role of women, asserting their rights and duties in education, according them responsibility for the household and, by extension, for providing the human compassion that must balance a social order dominated by men. This book proved to be one of Ruskin's most popular books, and was regularly awarded as a Sunday School prize.
