The Assassination of Joseph Smith: Innocent Blood on the Banner of Liberty Ryan C. Jenkins

Even the Prophet's most vehement critics - then and now - can at least agree on one thing: Joseph Smith was murdered in cold blood. This account begins in October 1838; Joseph is thirty-two years old and has less than six years to live. This fast-paced, driving narrative provides a factual account leading to the murder and is sure to capture the attention of Latter-day Saints and those not of the faith.
