My name is Kimberly, sometimes I go by Raqui and I was once in your very shoes; unsure, anxious, excited, nervous, and overwhelmed all at the same time. I felt isolated and unsure of how to act or treat myself in certain situations and wish there had been a class that prepared me beyond the books. In this book you will find multiple lessons about nursing I learned outside the classroom that I hope will serve as a beacon of hope, guidance, and inspiration to and for you. My passion is helping nurses just starting out in their career and this book does just that. As a christian ultimately I believe that my life and my work are in Jesus' capable hands and this book reflects how He has guided me through. Come with me as we journey this nursing road together. We will laugh, cry, and learn some new lessons along the way. Happy reading.
