James Horn

A Land As God Made It: Jamestown and the Birth of America James Horn

Although it was the first permanent English settlement in North America, Jamestown is too often overlooked in the writing of American history. Founded thirteen years before the *Mayflower* sailed, Jamestown's courageous settlers have been overshadowed ever since by the pilgrims of Plymouth. But as historian James Horn demonstrates in this vivid and meticulously researched account, Jamestown-not Plymouth-was the true crucible of American history. Jamestown introduced slavery into English-speaking North America; it became the first of England's colonies to adopt a representative government; and it was the site of the first white-Indian clashes over territorial expansion. As we approach the four-hundredth anniversary of Jamestown in 2007, *A Land As God Made It* offers the definitive account of the colony that give rise to America.
