John Overton Casler

The demand for Four Years in the Stonewall Brigade has led to a re-issue, in a cheaper form, but as several years have elapsed since the first edition made its appearance, the author considered that extensive alterations and improvements would be necessary before its re-publication. It has, therefore, been carefully revised, and, though the salient points of the history have been left untouched, several new chapters, and more and better illustrations have been added in order to make it a more complete history, which will be read by future generations.
