With a little help—and a little kink—from her friend, she might just get her man.

In the Line of Duty, Book 5

Skylar Redmond's Sky Bar is regularly wall-to-wall hot soldiers. Yet she is alone—and getting tired of it. Forget about finding a man who'll rock her world in the bedroom. She'll settle for a guy who's stable, kind and compassionate.

Too bad that guy still sees her as the pigtailed girl from their youth, not the strong woman she is today. But maybe, with a little help, that'll change.

As an ex-military field ambulance technician, Matt James excels at performing under pressure. Pretending to be interested in Skylar to help her capture the attention of his best friend? Piece of cake—because he won't be faking it. He's been in love with her since their school yard days, but never pushed it. She deserves someone who can offer her more.

A touch leads to a kiss, and a kiss to a night that throws a kink—or three—into Sky's plan. Leaving her wondering if she's going for the wrong man...and letting the right one slip through her fingers.

Warning: This book contains a girl with her eyes on the wrong prize, and a half-cocked plan—but definitely not a half-cocked hero.
