My Journey to Paradise Heng L. Lim

This is a first-hand account of a Cambodian boy who found himself caught in the crossfire of civil war and then the cruel oppression of the Khmer Rouge Communist regime. Enduring the events described in this book should have made him an emotional cripple. But God had other plans. He survived the Khmer Rouge holocaust, and when presented with the opportunity to go to America, he did so. He took advantage of America's educational opportunities and studied to become a dentist. After becoming a Christian, the hatred and bitterness he felt toward those who destroyed many of his relatives and friends turned to forgiveness. Where once he lived for revenge, he now lives to bring healing to others and to share the love of God. This book is about what happens when men live without God. It shows the providence of God in saving someone in great danger. It also shows the power of the Gospel to change hate into love. This is a book of hope!
