The Ancient Language of Dreams: And Their Biblical Interpretation Ken Johnson

The prophet Joel predicted that in the last days God would pour out His Spirit on believers, and young people would see visions and old people would dream dreams. We need to learn the ancient language of dreams and the biblical importance of how to properly interpret them. In this book, we give numerous examples of God speaking through dreams and visions. We will also look at the dreams of Abraham and the Persian Magi given in extra-biblical documents. I included a small selection of dreams I have had over the years. We will look at these carefully and see patterns that will help us learn the language of God.
