A Guide Book of United States Paper Money, Fourth Edition

Arthur Friedberg, Ira Friedberg

A Guide Book of United States Paper Money, Fourth Edition Arthur Friedberg, Ira Friedberg
Building on the scope of Robert Friedberg's groundbreaking research, *A Guide Book of United States Paper Money, Fourth Edition* includes an engaging history of the paper currency of the United States. Every federal note—from the ultra rare Demand Notes of 1861 to the lunch money in our wallets today—is described in detail. Fascinating narrative captures the romance and history of American paper money, and also explores recent developments in the hobby and market, including the new \$100 bill. The book combines the hobby standard Friedberg numbering system with values and hundreds of high-resolution, full-color photos. With full-color, updated content, the fourth edition is even stronger than the critically acclaimed first, second and third editions, which have already taken their place as popular hobby references.
