If you want walk over to the most popular table in the casino feeling confident and ready to win some money, then this book is for you!

Read on your PC, Mac, smart phone, tablet, or Kindle device.

The craps table is often the most prominent installment in the casino. It's big, it's fun, and the players are generally pretty loud as they cheer with excitement. Usually manned by four casino staff members - known as the "boxman," the "stickman," and two "dealers" - a craps table is busy as it hosts a swarm of simultaneous activity. Although it's clear that the craps table is an enticing place to be, the actual layout of the available bets and betting combinations on the table may alarm newbies with its apparent complexity. Craps has the largest variety of betting options among all other casino games. And since craps also hosts the largest number of betting decisions per hour, the craps table is usually stocked with the largest bankroll you'll find in the casino.

The good news is this: Even if the craps table looks intimidating, the game is, in reality, actually quite simple, and this book is going to explain everything you need to know in an easy-to-understand way. In fact, if you stick to specific types of bets in craps while avoiding the others, then you'll end up with the best gambling odds available in the entire casino. The important thing to remember is that the craps table is swarming with bad betting options, so it's critical that you know what to play and when. This book provides a step-by-step breakdown of the game, including the basic rules and playing sequence, so that newcomers such as yourself will feel completely at home at the craps table. You'll learn the meaning of all the fancy craps terminology, you'll get to know the best bets, and you'll learn lots of other craps strategies along the way.

Here Is A Preview Of What You'll Learn...

- Getting Started
- To Pass or Not to Pass, That is the Question
- Understanding Come Bets and Place Bets
- Playing the Field and Proposition Bets
