**When imagination becomes habit, it can transform your work and your life**

The best corporations know that innovative thinking is the only competitive advantage that cannot be outsourced. The best schools are those that create cultures of imagination. Now in paperback, *Imagination First* introduces a wide-variety of individuals who make a habit of imaginative thinking and creative action, offering a set of universal practices that anyone can use to transform their life at work, home, and play. These 28.5 practices will enable anyone to become more imaginative and to teach others to do so as well?from corporate executive to educator to platoon sergeant. Bonus content includes

- Winning "practices" submitted by the public
- Guidelines for educators who want to cultivate creativity in their classrooms
- Expanded resource section

The book is filled with illustrative stories of creative leaders, teachers, artists, and scientists that clearly illustrate the original practices and new material that shows how to bring imagination to life.
