Leading Issues in Economic Development

Gerald M. Meier, James E. Rauch

Leading Issues in Economic Development Gerald M. Meier, James E. Rauch

Now in its seventh edition, *Leading Issues in Economic Development* introduces a new co-author, James E. Rauch. Maintaining the unique structure that the book has established over the last 35 years, Rauch has revised and updated this seventh edition to strengthen the analytical and quantitative dimensions and to clarify contemporary and future problems of development policy. The co-authors integrate the most insightful materials in this wide-ranging field, offering students the opportunity to experience a variety of perspectives while helping them to keep sight of overarching themes. This edition adds two new chapters: "Income Distribution" and "Development and the Environment." It also now consolidates several chapters and increases the number of selections from leading professional journals. In this edition, both the selections and the authors' own overviews, notes, comments, and exhibits make greater use of empirical analysis as well as modern economic theory. In all, *Leading Issues in Economic Development* provides fresh and serious attention to the interplay between development experience, changing views of economists, and policy.

From reader reviews:

Delbert Lambert:

Book is written, printed, or outlined for everything. You can recognize everything you want by a guide. Book has a different type. As you may know that book is important matter to bring us around the world. Beside that you can your reading ability was fluently. A book Leading Issues in Economic Development will make you to become smarter. You can feel considerably more confidence if you can know about everything. But some of you think this open or reading some sort of book make you bored. It is not make you fun. Why they might be thought like that? Have you trying to find best book or ideal book with you?

Terrence Kimball:

The reason? Because this Leading Issues in Economic Development is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who have write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hold up having that book? If I were being you I will go to the e-book store hurriedly.

Audrey Mack:

Your reading sixth sense will not betray anyone, why because this Leading Issues in Economic Development publication written by well-known writer we are excited for well how to make book which can be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your hunger then you still question Leading Issues in Economic Development as good book not just by the cover but also through the content. This is one publication that can break don't assess book by its handle, so do you still needing one more sixth sense to pick this specific!?! Oh come on your looking at sixth sense already told you so why you have to listening to another sixth sense.

James Scott:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book has been rare? Why so many issue for the book? But virtually any people feel that they enjoy regarding reading. Some people likes studying, not only science book and also novel and Leading Issues in Economic Development or perhaps others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those guides are helping them to put their knowledge. In some other case, beside science guide, any other book likes Leading Issues in Economic Development to make your spare time more colorful. Many types of book like here.
