Robert Dunn

Look at Flower: A Novel Robert Dunn

Capturing the zeitgeist of 1967, this story follows a young girl named Flower as she discovers the hippie counterculture. At turns naïve and wise beyond her years, scruffy yet beautiful, heedlessly adventurous and endlessly savvy, Flower is a character for any time, not just her own. From "Cowtown, Oregon," Flower runs away to San Francisco to experience the Summer of Love and then goes off on train-hopping, hitchhiking adventures across the USA, with stints working at a bank and at a summer camp disguised as a boy, and stays at both a timber camp and then a commune called Old Bison. A picaresque journey, this tale explores the music, romance, politics, and world-changing dreams of the late 1960s.
