Plumer's Principles and Practice of Infusion Therapy

Plumer's Principles and Practice of Infusion Therapy

For nearly 44 years, *Plumer's Principles & Practice of Infusion Therapy* has retained its position as the most reliable, complete source of information addressing intravenous therapy for practicing clinicians, educators, and students.

The *Ninth Edition of Plumer's Principles and Practice of Infusion Therapy* provides clear, concise coverage of basic and advanced infusion procedures, as well as current Infusion Nurses' Society standards of practice.

You'll enhance your understanding and hone your skills with this new edition featuring the most current coverage of infusion therapy, procedures, standards, and equipment, along with practical new features and an emphasis on safety considerations, as well as evidence-based practice. *Plumer's Principles and Practice of Infusion Therapy* begins with an overview of IV therapy, including how to minimize risk and enhance performance, and then addresses assessment and monitoring; clinical decision making; patient specific therapies, and infusion therapy for children, the elderly, and across the continuum of care.

Updated information on INS Standards of Practice insure that your skills keep pace with current requirements and revised clinical and patient education content will help you prepare for certification.

Nurses will also find step-by-step application features that address interventions and procedures while offering guidelines, equipment checklists, actions, and rationales for each procedure. And, end-of-chapter review questions allow you to assess your knowledge and reinforce the vital concepts you'll apply in daily practice.

From reader reviews:

Jerald Elliott:

Playing with family within a park, coming to see the ocean world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Plumer's Principles and Practice of Infusion Therapy, it is possible to enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its referred to as reading friends.

Frances Barrett:

Many people spending their time period by playing outside along with friends, fun activity with family or just watching TV all day long. You can have new activity to shell out your whole day by examining a book. Ugh, think reading a book can definitely hard because you have to take the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smart phone. Like Plumer's Principles and Practice of Infusion Therapy which is obtaining the e-book version. So , why not try out this book? Let's view.

Michael Canton:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we really wish for. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year has been exactly added. This publication Plumer's Principles and Practice of Infusion Therapy was filled with regards to science. Spend your spare time to add your knowledge about your technology competence. Some people has several feel when they reading a new book. If you know how big advantage of a book, you can really feel enjoy to read a book. In the modern era like currently, many ways to get book you wanted.

Brian Seery:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Plumer's Principles and Practice of Infusion Therapy can make you really feel more interested to read.
