Don't touch anything in the Haunted Museum!

When Lily accidentally touches a painting at The Haunted Museum, she's pulled into a dangerous fight for her life!

The more she learns about the history of the portraits she'd been mesmerized by, the more she finds about the artist who painted them and the girls in the paintings. All the girls seem to have disappeared--but where? Tears on the portraits, dreams about the girls in the pictures - what could it mean? And what happens to Lily if her portrait is painted?
