Dental Practice Transition: A Practical Guide to Management David G. Dunning, Brian M. Lange
Practice management is one of the key elements in the career of a dentist. Most dentists own their own practices and even associateships carry with them the prospect of management, accounting and dealing with health insurance providers. *Dental Practice Transition: A Practical Guide to Management* helps readers navigate through options such as starting a practice, associateships, and buying an existing practice with helpful information on business systems, marketing, staffing, and money management. With topics applicable to both recently graduated as well as established professionals, *Dental Practice Transition* is a comprehensive exposition of practice management from a dentist's perspective.
